Dear Student,

You are receiving this message because you have initiated course enrollment into Harvard University. In order to enter the Harvard University campus for enrollment, you agree to the following conditions:

1. **Masks and Distancing**: You must abide by Harvard’s COVID policies related to wearing masks, social distancing, and other requirements as listed on the [University’s COVID web site](https://www.harvard.edu). Please note that these requirements are likely to change over the course of the semester and that you are responsible for staying current on the requirements.

2. **Testing**: Harvard students, staff, and faculty are required to undergo regularly recurring COVID PCR testing. If your home school also requires you to undergo COVID PCR testing at least once per week, then you do not need to also undergo testing at Harvard. See below for instructions if you need to enroll in testing at Harvard.

3. **Disclosures**: You hereby authorize Harvard University and your home institution to share your name, contact information and COVID test results with each other for the purposes of contact tracing and to help protect the health and safety of the Harvard community and surrounding communities. We will rely on this authorization in sharing information with your home institution. If your home institution has a separate authorization form that will enable them to share this information with us, you are required to fill it out and submit it to your home institution.

4. **Crimson Clear**: As a cross-registered student, you must use the [Crimson Clear system](https://www.harvard.edu) to attest to your symptoms and exposures every day. If you do not plan to come to campus but have new symptoms, exposures, or a positive COVID-19 test, you must also report this using Crimson Clear.

5. **Important**: If you test positive, have COVID symptoms, or have been exposed to COVID you may not come to Harvard’s campus until you have been cleared by the contact tracing team.

6. If your home institution notified you that you are not in compliance with its COVID protocols, you may not come to Harvard’s campus.

If you need to test at Harvard:

- By cross-registering at Harvard, you are eligible to [create an account with Color](https://www.color.com) to activate test kits and to review test results.
  - If you already have a Color account through your home institution you will not be able to create another account. You should test through your home institution.
- You can pick up test kits at each Harvard School at the locations listed below.
- Here is a list of [drop-off locations for test kits](https://www.harvard.edu).
- The email address used to authorize you for testing is: EMAILID
- Your Harvard University ID number is: EMPLID

Test Kit Pickup Locations by Harvard School
• Faculty of Arts and Sciences (Harvard College, Harvard Graduate School of Arts and Sciences, Harvard Paulson School of Engineering and Applied Sciences): Weld Hall basement (entrance facing Widener Library)
• Harvard Business School: Chao Center, Shad Hall, or Spangler Center (2nd floor service counter in the middle of the hallway)
• Harvard Chan School of Public Health: Kresge and François-Xavier Bagnoud (FXB) buildings' security desks
• Harvard Divinity School: Swartz Hall 106 (Office of Student Life)
• Harvard Graduate School of Design: Gund Hall, Quincy Street vestibule
• Harvard Graduate School of Education: Gutman Library security desk
• Harvard Kennedy School: Wexner Building lobby
• Harvard Law School: Wasserstein Hall (ground floor across from Hark Café)
• Harvard Medical School: New Research Building (NRB lobby outside Martin Amphitheater)
• Harvard School of Dental Medicine: Monday through Friday: 9:30am-10:30am in REB Lobby; 2:30-3:30pm in Main Lobby

For questions about testing eligibility and COVID protocols on campus, please visit the Harvard COVID web site or contact the Registrar of the school where you are taking classes.

Sincerely,

Mike Burke
Registrar of the Faculty of Arts and Sciences
Harvard University
