Upon acceptance to a GSAS degree program, students must submit a request to bracket courses from their undergraduate degree and allocate them toward the graduate degree. Completed forms need to be returned to enrollment@fas.harvard.edu no later than the 5th Monday of the term.

NAME _____ HUID _____ MASTER'S PROGRAM _____

Current Term Bracketing

I would like to bracket the following course(s) during the fall/spring (circle one) term, 20____

Retroactive Bracketing

I would like to bracket retroactively the following courses that I took prior to the current term. I have not yet bracketed any of these courses.

Courses for graduate credit must be taken graded or Sat/Unsat; Pass/Fail and CR/Non-CR are not counted for graduate credit. A passing grade for most graduate courses is "B-" or higher. Please discuss grade requirements with your departmental degree committee.

Course	Term	Year

I understand that bracketed courses will appear on my transcript but will not be counted as part of my undergraduate record (i.e., towards concentration or General Education requirements, honors qualifications, etc.). I also realize that I am subject to the academic and discipline regulations that pertain to other undergraduates.
