- Email completed form to enrollment@fas.harvard.edu, and submit an official transcript to the Registrar's Office.
- Starting Summer 2022, you may receive College credit for no more than 8 credits (generally two courses) taught in remote formats in Harvard Summer School. No more than one remote course may be used for General Education credit.
- Mathematics: There are Summer School mathematics courses for which Harvard College does not award credit. Check with your **Resident Dean of First-Year Students** if you are requesting credit for a Summer School mathematics course other than S-AR, S-1A, S-1B, S-21A, or S-21B.
